

Welcome to *WebDocs*[™]

AP's WebDocs service provides anytime access to search your purchase history and view or print your invoices, credits, proof of delivery slips, and statements. This guide was created to assist you in registering for and using the WebDocs system.

WebDocs will not have records from our old invoicing system, so if you require any invoices or credits dated prior to 08/22/16 please give us a call.

Please note that WebDocs is a different website than Pronto Auto Parts (Nexpart) where you order parts online, your Pronto-Nexpart login **DOES NOT** work for this website. Please follow the steps in this guide to create a new WebDocs account.

Please contact us if you have any problems registering with or using WebDocs.

We will be happy to help!

Thank you from Automotive Products

Let's get started!

You can get to WebDocs from our main website, <https://www.automotiveproductsinc.com>

The link can be found on the top right hand side of the page in the navigation bar.

On the login page for WebDocs you will find a link to create your account.
This will take you to the first step in self-registration.

A screenshot of the WebDocs login page. At the top is the Automotive Products logo. Below it are two input fields: 'USER ID:' and 'PASSWORD:'. Underneath are 'Login' and 'Clear' buttons. A yellow highlighted box contains the text 'Need to create a new account? Click here.' with a red arrow pointing to the 'Click here' link. Below this is another link: 'Forgot your user name or password? Click here.' At the bottom, there is a compatibility notice: 'This site is compatible with Internet Explorer 8.0 or higher, Google Chrome 30.0 or higher, and Adobe Acrobat Reader 9.0 or higher.'

For the first step in registration you just need to verify a few details from the top of any one of your Automotive Products invoices that are **dated on or after 08/22/16**.

Please note the following password complexity requirements.

Your password must:

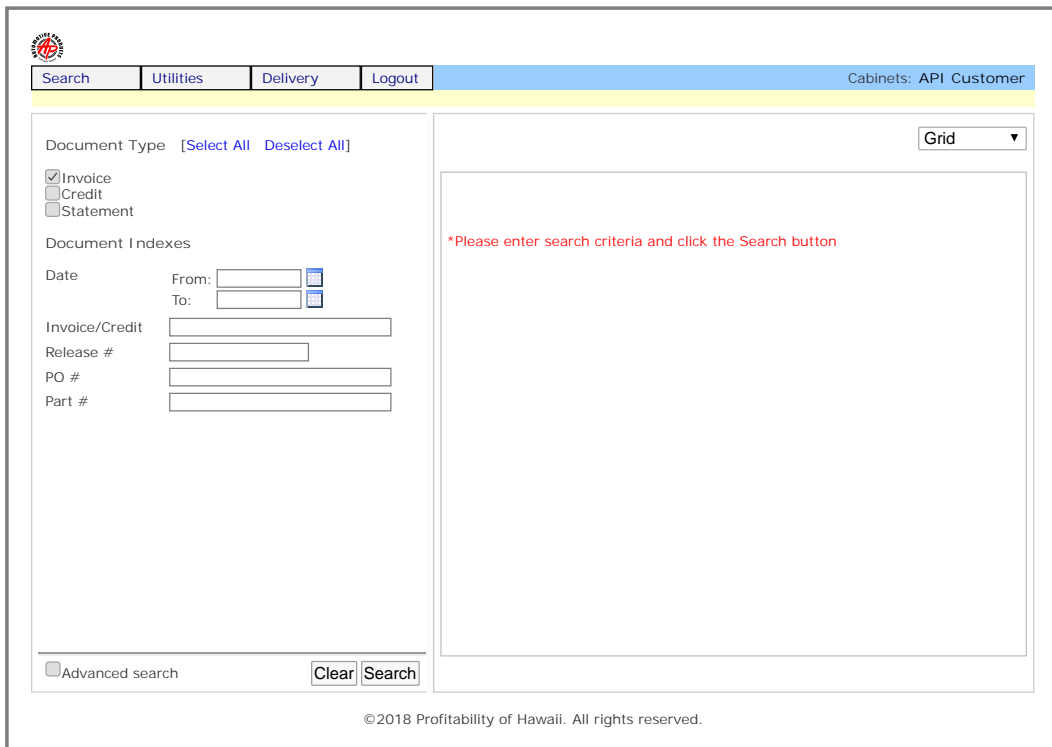

- Be at least 8 characters
- NOT contain your user ID (whole or partial)
- Contain at least one of the following characters:
\$&#_!@%^(*)-+=~\:;<,>./?

After registration is complete you will be returned to the login page, which will now have a message in red indicating that your account was successfully created.

Please login using the username and password you chose in the previous step.

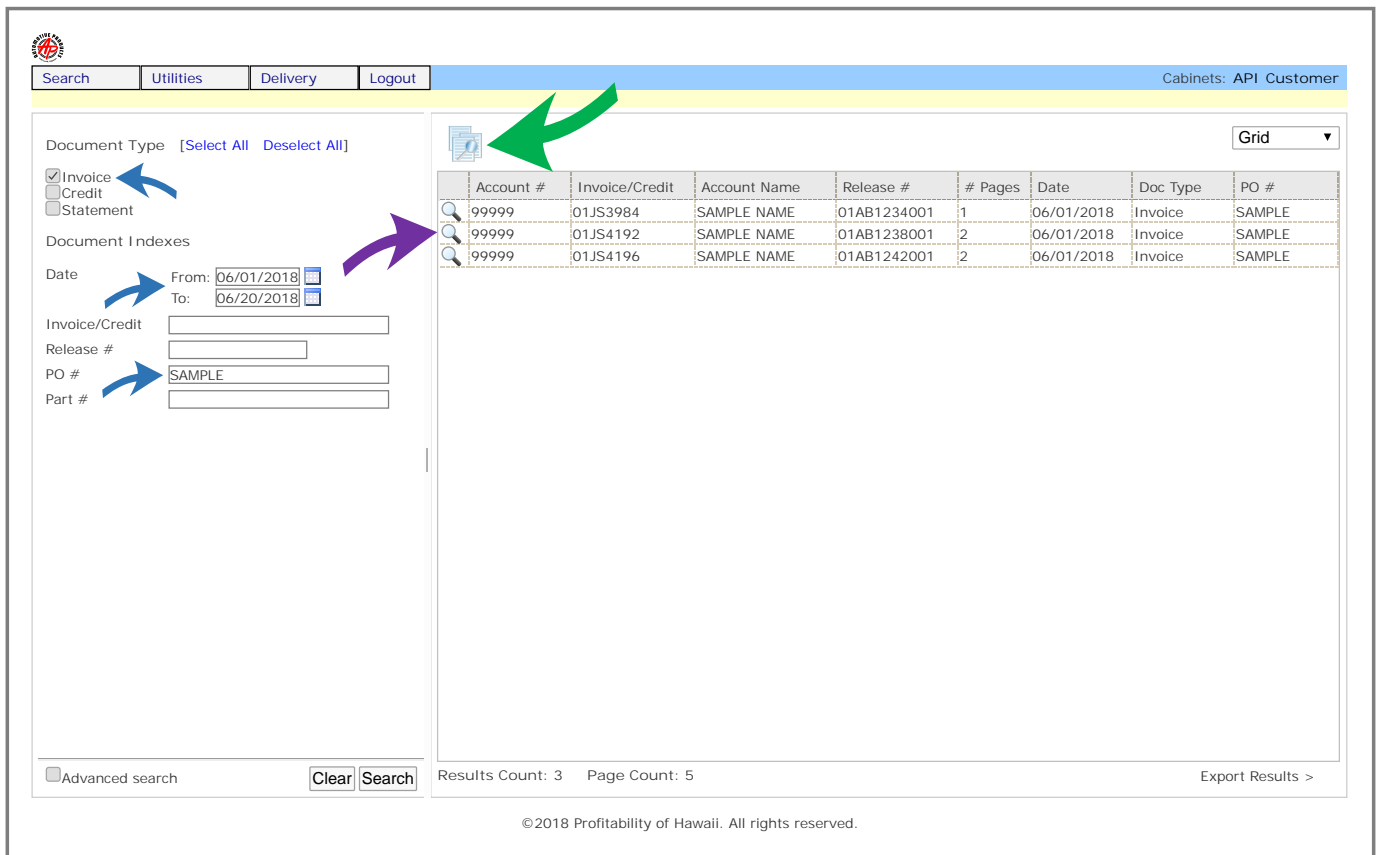

Pictured below is the page you will normally see upon logging into WebDocs from now on.

There are checkboxes on the left side to toggle the document type(s) you are searching for. You can enter as much or as little detail as you'd like in the other fields to narrow or broaden your search.

Pictured below is a sample search for **invoices** dated between **06/01/18** and **06/20/18** with a purchase order of **"SAMPLE"**. To view an individual invoice you can click the **small magnifying glass** icon next to the line in question, this will open a PDF of the invoice in a new window.

If you would like to view all of your current search results at once, you can click the **multi-page magnifying glass**, which will combine them into one PDF file which will open in a new window.

Here's an example of a broader search. The search below is for all **invoices and credits** between **06/01/18 and 06/30/18** regardless of what the purchase order was.

To view a specific selection of invoices from the search results, you can highlight multiple specific lines (shown in search results below in blue) by holding down the CTRL key on your keyboard while you click on the ones you want.

Once you have highlighted your selections, you can again click the **multi-page magnifying glass** to open only the selected invoices together in a new window.

The screenshot shows a web application interface with a search filter on the left and a table of results on the right. The search filter includes options for Document Type (Invoice, Credit, Statement), Date (From: 06/01/2018, To: 06/30/2018), and Invoice/Credit fields. The table of results has columns for Account #, Invoice/Credit, Account Name, Release #, # Pages, Date, Doc Type, and PO #. A magnifying glass icon is highlighted with a green arrow, indicating the multi-page magnifying glass function.
